

Becoming an Entrepreneurial Leader

Monday April 4th, 2011 at 4pm CET

Speaker

Franklin Pitcher ('Pitch') Johnson

Franklin "Pitch" Johnson is one of the founding fathers of the venture capital community in Silicon Valley. He has funded over 200 startups that have grown into successful companies such as Amgen, Tandem Computers, Teradyne, Applied Micro Circuits, Applied Bio Systems, IDEC, Remedy and many more.

"Economic freedom, political freedom and personal freedom are all facets of the same diamond. Entrepreneurs are the revolutionaries of our time"

- Pitch Johnson (2004)
